

Good Migration!

Friday 10th July 2009, Crewe Hall, Cheshire

This event will showcase and share good practice around economic migration in the North West. Examples of good practice and lessons learned will be discussed, along with innovative ways of meeting the impact of migration. Good Migration! will actively encourage information sharing as participants debate topical issues and suggest solutions to future challenges.

Keynote speakers from the Institute for Public Policy Research, HM Treasury and Government Office for the North West will share the national and regional context. Topics for discussion include:

- Migration Outcomes - Impacts and Benefits
- Migrant Worker Perspectives
- Mental Health issues and strategies
- Housing Needs
- Estimated Benefits of Migration Impact Funding
- Dealing with the Economic Downturn
- Effective Communication and Data Sharing
- Potential for future migration projects

To make the most of this unique information sharing and networking event, book early by emailing brian.horwell@cheshireeast.gov.uk or telephone **01270 537739** **no later than 3rd July.**

Limited display areas for delegates will be provided subject to confirmation.

This event is open to anyone with an interest in migration
